Participating clubs support 3Ts work to raise awareness of issues of suicide & mental health. The sums raised by golf clubs through their Club Competition help fund 3Ts work, including valuable research, suicide alertness training, information provision & awareness raising. 3Ts latest research has helped inform the National Clinical Care Programme for Suicide & Self-Harm and our website www.3ts.ie is a valuable source of information & resources on suicide & a range of mental health topics. We work with third level colleges on awareness raising activities and deliver free suicide prevention training to interested groups, businesses, organisations & clubs - including Golf Clubs. If you'd like to organise training for your club members or staff, or if you'd like to learn more about 3Ts work, call us on 01-2139905, email info@3ts.ie or visit www.3ts.ie.
